No.10 Kangzhong Rd. Gongshu District Hangzhou Zhejiang

Tel: (86)571-56053670/Fax: (86)571-56053588

Commercial Dehumidifier

MODEL	RYCM-60C
CAPACITY	60L/D (@30°C; 80%RH)
POWER SUPPLY	35.8L/D @26.7°C; 60%RH
REFRIGERANT	220V/60Hz
RATED POWER	R290*150g
RATED CURRENT	790W
AIR CAPACITY	3.6A
WATER TANK	480m³/h
WATER PUMP	6L
WATERPROOF GRADE	Optional
Suction Side Pressure (MAX)	IP22
Discharge Side Pressure (MAX)	0.7MPa
WORKING TEMPERATURE	2.3MPa
MACHINE BODY SIZE	5-38°C
WEIGHT	400*390*700mm(handle not included)
APPLICABLE AREA	33kg
	50-90m²/3m

Features:

1. Sheet metal machine body, frosted surface; body color is optional
2. Big rear wheel, small casters, big handle
3. Automatically defrosting technology
4. High-precision temperature and humidity sensor equipped, adjusting humidity level automatically
5. Intelligent control panel
6. Auto-on/off function by timer
7. Memory function: If the machine is power off suddenly, the machine will keep its previous setting. And it will return to work automatically when the electricity is restored.
8. Customization support: Color, logo, package, etc
